

Canterbury Fair Official Artisan Application

Welcome to the Canterbury Fair, always the last Saturday in July!

July 29, 2017

This application form has been sent to you as an invitation to sell and demonstrate your art or craft at our fair. Our team has been busy all year researching and collecting information on a diverse group of talented people.

There are currently 39 available artisan spaces at the fair and we would like to feature deserving local artists and craftspeople. Our artisans are crucial to the success of the fair!

If you are interested in participating, please fill out and return this application by **May 1st**.

Our team will review the applications and contact those selected by **June 1st**.

Following your acceptance, there is a \$35 fee that should be mailed to the address below by **July 1st**. Your payment will secure a space and your assigned space number will be emailed to you. If you have a space preference please indicate it on the application.

All spaces are 10 feet x 10 feet, are outside and do not have electricity.

The fair runs from 9am to 4pm. Set-up will begin at 6am on the day of the fair. All booths must be set up and ready to go by 8:30am. Vehicles must leave the fairgrounds by 8:15am and can be parked in the vendor parking area behind the fire pond. All roads leading into the center of Canterbury are closed to traffic for the duration of the fair. Exhibits should not be taken down before 4pm. You are responsible for anything you may need including tables, chairs, tarps, etc. We supply only the site.

Profits from the Canterbury Fair are used to fund the Canterbury Community Church and the Canterbury Fund, which aids Canterbury residents in need.

We look forward to seeing you on Fair Day! Thank you for your interest in the Canterbury Fair.
